Winemaker Bruce McGuire profiles the Musqué clone with our 2022 Sauvignon Blanc SYV. 100% of grapes used came from the Great Oaks Vineyard just outside of Los Olivos, one of hottest areas in the region. Chosen from select lots, the grape's aromatics are showcased beautifully within this bottle.

Winemaker Notes

This Sauvignon Blanc is 100% Musqué clone from Great Oaks Vineyard just outside of Los Olivos. The Musque clone is extremely aromatic with scents of tropical fruits and citrus blossoms.

Tasting Notes

Sauvignon Blanc likes hot weather, and Winemaker Bruce McGuire selected favorite lots from warm regions in Santa Ynez Valley for our 2022 Sauvignon Blanc, SYV. It's fresh, bright, and crisp, with zesty flavors of pineapple and citrus. The finish lingers with minerality and pleasing acidity.
